About me

Dr. Said Hussein Ali is a dedicated dental practitioner with extensive experience in accident and emergency dentistry, periodontology, and dental implantology. He holds a Bachelor of Dental Surgery (BDS) from Elrazi University, Sudan, and a Fellowship in Oral Implantology from the German Board of Oral Implantology (GBOI), where he also became a member of the German Association of Dental Implantology. Currently just completed a Master of Dental Surgery in Periodontology and Implantology at the University of Nairobi, Dr. Said has served in both public and private sectors, including the Sudan Ministry of Health, Al-Muddathir Clinic, Star Dental Clinics, Eastdent Medical Centre, Implant & Aesthetic Medical Center and Dr. Noor & Associates Dental Clinic. He is committed to delivering quality patient care and seeks a progressive position that offers opportunities for professional growth and excellence in dental practice.
